

# Andrea Banica, Love in Brasil

I'm dreaming of a life  
with no regrets.  
I'm dreaming of the  
sun that never sets.  
That burns my heart and  
takes my feels apart.  
I'm dreaming of brasil.  
And then tomorrow found  
me millies away.  
With still a million different  
things to say.  
A smile can be the sun  
A kiss never light  
When I'm thinking of...  
Brasil ale, brasil ale  
brasil ale, ale ale ale.  
Brasil ale ale.  
I could live like this  
forever.  
Brasil ale, brasil ale,  
brasil ale, ale ale ale.  
Brasil ale ale.  
I could live like this  
forever.  
My mind is always dancing when I`m here  
The rhythm of a passion  
we can` t hear.  
The bounce that now beat  
that makes me move my feet.  
We are dancing in Brasil.  
And when the twilight  
beam the skys above.  
It makes me hear the  
thrills of our love.  
I'm feeling high and  
only you know why.  
Together in ...  
Brasil ale, brasil ale,  
brasil ale, ale ale ale.  
Brasil ale.  
I could live like this  
forever.  
Brasil ale, brasil ale,  
brasil ale, ale ale ale.  
Brasil ale.  
I could live like this  
forever.  
I could live like this  
forever.  
Na na na...  
I could live like this  
forever.  
Brasil ale, brasil ale,  
brasil ale, ale ale ale.  
Brasil ale.  
Brasil ale.  
I could live like this  
forever.  
Brasil ale, brasil ale,  
brasil ale, ale ale ale.  
Brasil ale.  
I could live like this  
forever...
