

Andrea Bocelli, The Greatest Gift (feat. Matteo Bocelli)

Come and lay your head upon my shoulder
Look outside the stars are shining bright
Even though it's turned a little colder
We can light a fire, stay inside

Hear the angels sing
Hear the angels sing
Hallelujah from above
Singing peace on earth
There'll be peace on earth
If we open up our hearts
And give a little love
The greatest gift is love

Gather friends and family 'round the table
Remember those we love no longer here
Together take a moment and be grateful
For the joy, for the tears

Hear the angels sing
Hear the angels sing
Hallelujah from above
Singing peace on earth
There'll be peace on earth
If we open up our hearts
And give a little love
And give a little love
And give a little love

Hear the angels sing
Hear the angels sing
Hallelujah from above
Singing peace on earth
There'll be peace on earth
If we open up our hearts
And give a little love

Hear the angels sing
A Hallelujah from above

Hear the angels sing
Hear the angels sing
Hallelujah from above
Singing peace on earth
There'll be peace on earth
If we open up our hearts
And give a little love

A Hallelujah from above
The greatest gift is love
