Andrea Bocelli, The Greatest Gift (feat. Matteo Bo

Come and lay your head upon my shoulder Look outside the stars are shining bright Even though it's turned a little colder We can light a fire, stay inside

Hear the angels sing Hear the angels sing Hallelujah from above Singing peace on earth There'll be peace on earth If we open up our hearts And give a little love The greatest gift is love

Gather friends and family 'round the table Remember those we love no longer here Together take a moment and be grateful For the joy, for the tears

Hear the angels sing Hear the angels sing Hallelujah from above Singing peace on earth There'll be peace on earth If we open up our hearts And give a little love And give a little love And give a little love

Hear the angels sing Hear the angels sing Hallelujah from above Singing peace on earth There'll be peace on earth If we open up our hearts And give a little love

Hear the angels sing A Hallelujah from above

Hear the angels sing Hear the angels sing Hallelujah from above Singing peace on earth There'll be peace on earth If we open up our hearts And give a little love

A Hallelujah from above The greatest gift is love
