

Andrea Parker, Going Nowhere

Through the stained glass window
Pictures in my mind
Dissolving in a jet
Taking time to rewind

New direction
Passagers in the dark
Shadows from below
Leaving a mark

Going nowhere (repeat)

Apart from the obvious
Nothing is what it seems
Silence between the light
Of a hidden ?? scene/seem/seed/seize??

New direction
Lost connections to the past
Going nowhere
Moving too far

Going nowhere (repeat)
