

# Andreas Johnson, Ain't That A Shame

Yeah ooh baby baby baby baby baby  
Ain't nobody gonna love you, baby  
the way I was supposed to love you, hold you, adore you  
Ain't nobody gonna touch you, maybe  
I could have been the one there to release you  
Sorry, now .. Ain't that a shame ooh  
Ain't nobody gonna feel you, fill you up with  
dreams about the world I was to build you ooh  
Ain't nobody gonna make you, take you  
to my garden I will go  
Ain't that a shame,  
you ain't no friend of mine  
Ain't that a shame,  
well I don't know  
Ain't that a shame,  
could I've been so blind  
Ain't that a shame,  
to let it go  
So you beg for absolution, conclusion made  
you wise you say, well you better better stay away now  
don't you come here to possess me, lady  
caress me with your sweet talk about love  
Ain't that a shame,  
you ain't no friend of mine  
Ain't that a shame,  
well I don't know  
Ain't that a shame,  
could I've been so blind  
Ain't that a shame,  
to let it go  
I wonder why, you came into this world  
alone to walk it thru with bitter bones  
you let it slide, ain't that a shame  
Ain't nobody gonna love you, baby  
the way I was supposed to love you, hold you, adore you  
Ain't nobody gonna make you, take you  
to my garden I will go  
Ain't that a shame,  
you ain't no friend of mine  
Ain't that a shame,  
well I don't know  
Ain't that a shame,  
could I've been so blind  
Ain't that a shame  
Ain't that a shame,  
you ain't no friend of mine  
Ain't that a shame,  
well I don't know yeah!  
Ain't that a shame,  
could I've been so blind  
Ain't that a shame, ooh  
Ain't that a, ain't that a  
Ain't that a shame my friend now  
Ain't that a, Ain't that a shame  
Ain't that a, Ain't that a,  
Ain't that a shame my friend now  
to let it go
