

# Andreas Johnson, Deadly Happy

Dance my lover dance  
tonight I belong to you  
untie my feet and hands  
and show me the way to move  
kiss me happy just kiss me baby  
we would be so deadly happy  
just teach me baby  
to be deadly happy  
sway my lover sway  
tonight I'll be yours alone  
so please untie my feet and hands  
tomorrow I'll be gone  
kiss me happy just kiss me baby  
we could be so deadly happy  
just teach me baby  
to be deadly happy  
mmmm
