

# Andreas Johnson, Like A Woman

When a woman is in love  
comes to you like a dove  
and she spread into your arms  
then there's nothing  
like a woman in love  
When a woman is in doubt  
you sure will feel the same  
and she tears your head in pieces  
then there's nothing  
like a woman in pain  
and there's nothing you can do  
no, there's nothing you can fake  
when that woman is in doubt  
well, the only thing  
a man can do is wait  
When a woman is to be found  
comes to you like a dream  
and she melts into your veins  
then there's nothing  
like a woman when she's seen  
When that woman is at stake  
you will fight to keep her needs  
then you crumble to your bones  
then there's nothing  
like a woman when she bleeds  
No there's nothing like a woman  
comin' as close as she can  
when she's standing  
there above you  
then there's nothing  
like a woman to a man  
There's nothing like a woman  
nothing like a woman to a man
