

# Andreea Banica, Rendez-vous

Me and you for a rendez-vous x3  
Rendez-vous..  
Me and you for a rendez-vous x3  
Rendez-vous...  
Hello, here we are like two lovers in Paris  
Alone, even though there's people all around  
Eee-aa-ee-a, c'mon, I've got the day-a  
Can't wait to get it on  
Play the music on and on  
Eee-aa-ee-a, c'mon, I've got the day-a  
Can't wait to get it on  
Shout it like you mean it!  
Dancing with you baby  
Feel my heart, is seeking  
Ready for your lovin'  
I just want it more, more  
What you're waiting for, for?  
Let's break on through the night  
Listen to you body!  
Me and you for a rendez-vous x3  
Rendez-vous..  
Listen to your body!  
Me and you for a rendez-vous x3  
Rendez-vous...  
One night, sharing dreams together and forever  
That's right, you and me, have got it goin' on  
Eee-aa-ee-a, c'mon, I've got the day-a  
Can't wait to get it on  
Play the music on and on  
Eee-aa-ee-a, c'mon, I've got the day-a
