

# Andres Cano, Time For A Change

Sick of living everyday  
Trying to bring back yesterday  
wishing it could be easier to go through  
nights and days of feeling blue

I really need to find a way  
to move on from this pathetic face  
I am thinking its time for a change  
Maybe i need to go away  
and stop myself from a disgrace

Trying to make your dreams come true  
i forgot about mine and left them behind  
My life is going down a cliff  
I've lost you and i've lost my dreams too

I think its time for a change  
I am determined to start agin  
but first i need to fing a way  
something or someone  
who can take ur place inside my heart
