

# Andrew Belle, Add It Up

Tell me which way is up  
I'm getting lost for crying out loud  
Had a point I meant to make  
Came to me as the wheels touched down  
Ooh  
Come to think of it I'm the one who's letting you down  
Tell me what does it for you now that I'm not around  
Ooh  
I know it doesn't add up when you put it on paper  
You were playing by the water 'cause you knew I would save you  
Now  
Now that you're time's run out  
Static climbs inside my mind  
All these lines they blur into one  
Higher roads  
They turn and wind  
All this time my back's to the sun  
Ooh  
Come to think of it I'm surprised that I didn't run  
What's to make of it  
The parts were not as great as the sum  
Ooh  
I know it doesn't add up when you put it on paper  
You were playing by the water 'cause you knew I would save you  
Now  
Now that you're time's run out  
Oh  
When you add it all up you'll see that nobody made you  
You were clinging for your life as the memory escaped you  
Now  
Now that you're time's run out  
I need a second wind of hope now  
I need a second wind  
A second to myself now  
Now that my time's run out  
Now that my time's run out  
Ooh
