

Andrew Bird, Scythian Empires

Five day forecast bring black tar rains and hellfire
while handpicked handler's kid gloves tear at the inseams
their Halliburton attach cases are useless
while scotch guard Macintoshes shall be carbonized
now theyre offering views of exiting empires
such breathtaking views of Scythian empires

Scythian empires, horsemen of the Russian steppe
Scythian empires, archers of an afterthought
Routed by Sarmatians, thwarted by the Thracians
Scythian empire
