

# Andrew Bird, See The Enemy

Hold on just a second  
Don't tell me this one you know  
I know this one I know this song  
I know this one I love this song  
Hold on just a second  
Don't tell me this one you know  
i know this one I know this song  
I know this one I love this song  
I know this one  
Hold on just a second  
Don't tell me this one you know  
I know this one I know this song  
I know this one I love this song  
Hold on just a second  
Don't tell me this one you know  
i know this one I know this song  
I know this one I love this song  
I know this one  
I see a sea anemone  
The enemy  
See a sea anemone  
And that'll be the end of me.  
While the vicious fish was caught unawares in the tenderest of tendrils  
Underneath her tender gills  
While the vicious fish was caught unawares in the tenderest of tendrils  
Underneath her tender gills  
I see a sea anemone  
The enemy  
See a sea anemone  
And that'll be the end of me.  
I will become this animal  
Perfectly adapted to the music halls  
I will become this animal  
Anomalous appendages  
A non-animal  
I see a sea anemone  
The enemy  
See a sea anemone  
And that'll be the end of me.  
While the vicious fish was caught unawares in the tenderest of tendrils  
Underneath her tender gills  
The seemingly innocuous plecostomus  
though posthumous  
They talk to us  
They talk too much  
Underneath the stalactites  
The troglobites lost their sight  
They never really had it right  
They've never really seen the light  
I will become this animal  
Perfectly adapted to a music hall  
I will become this animal  
Anomalous appendages  
A non-animal
