

Andrew E., Fax Me

Eh, yo what

This is Andrew E. one time again for your mind

But this time I might take it slow and low

So here we go

It's about a girl na mahilig mag-fax

I mean, you know, as in fax machine

And goes a little something like this

It was a Friday night, I'm feeling alright

I signed with Sony, future looked bright

Mag-ga-gabi na, ako'y nasa labas pa

Nag-dinner ako, well, kasi gutom na

Time to celebrate, the world is mine

Perfect timing to wine and dine

I went to Malate derecho Outback

Australian beef, time to niak

Sat down the table, nanood ng cable

I ordered Spumati kasi I'm stable

Willing and able, I'm still single

Looking for a girl na makaka-mingle

Nang may dumating, anak ng pating

Sa aking harapan, 'sang balikbayan

"Andrew E., right?"

"Fresh from the flesh, that's me,

Here's my number, fax me"

CHORUS:

Fax me in the morning (oh yeah)

Then just walk away (that's it baby, that's it)

We will fax tomorrow (why oh why)

Coz we fax yesterday, yeah...hey

Ah...ah...

So finax ko siya

Excited ang Andrew

Finax din niya ako, not one, not two

Pero ten times, what else can I say?

Finax niya ako, shit, all damn day

At habang fina-fax ko siya

Kinakausap ko siya, kinakausap niya ako

Tinatanong niya ako

"Have you ever been faxed before?"

"Yeah, but not like this so fax me more"

"Good"

Nagfa-fax kami, nag-e-enjoy kami

Nag-internet kami kahit walang kape

Pero may sugar at mayroong whipped cream

Nagfa-fax kami kahit sa dilim

So fax, fax ng fax baby, yeah that's it

Sumisigaw every time na makaka-transmit

We fax all day and we fax all night

We fax and it's alright

CHORUS:

Fax me in the m
