

Andrew Jackson Jihad, Darkest Heart

Show me your tears
Show me your scars
Show me your flesh wounds
Show me your heart
Show me your death bed
so that I may rest in peace

Show me your teeth
Show me your claws
break all my bones
break all my laws
Show me your darkest heart
so that I may rest in peace

Eat my arms
eat my legs
eat the flesh between my ribs
eat my face
Eat my hair follicles
eat my brain
so that I may rest in peace
