

# Andrew Johnston, I Have A Dream

I have a dream, a song to sing to help me cope with anything  
If you see the wonder of a fairy tale you can take the future even if you fail  
I believe in angels something good in everything I see  
I believe in angels when I know the time is right for me  
I'll cross the stream - I have a dream  
I'll cross the stream - I have a dream  
I have a dream, a fantasy to help me through reality  
And my destination makes it worth the while  
Pushing through the darkness still another mile  
I believe in angels something good in everything I see  
I believe in angels when I know the time is right for me  
I'll cross the stream - I have a dream  
I'll cross the stream - I have a dream  
I have a dream, a song to sing to help me cope with anything  
If you see the wonder of a fairy tale you can take the future even if you fail  
I believe in angels something good in everything I see  
I believe in angels when I know the time is right for me  
I'll cross the stream - I have a dream  
I'll cross the stream - I have a dream
