

# Andrew Lloyd Webber, Come Back With The Same

I will see you in a week or two... It's late, you better get going. Take care of yourself and call anytime

I know, you've got your work to do and I know how much you love me. But sometimes a friendly fac

Everything, we want, we find in each other. We would be fools to let love slip away. Everything's so

So I'll see you in a week or two... It's late, you better get going. You think that by now we know how
