

# Andrew Lloyd Webber, Goodnight And Thank You

Ch:

Goodnight and thank you, Huevo  
She's in every magazine, been photographed, seen, she is known  
We don't like to rush but your case has been packed  
If she's missed anything, you could give her a ring  
But she won't always answer the phone

Eva:

Oh, but it's said when a love affair dies  
But we have pretended enough  
It's best that we both stop fooling ourselves

Ch:

Which means...

Eva & Ch:

There is no one, no one at all  
Never has been and never will be a lover  
Male or female  
Who hasn't an eye on, in fact they rely on  
Tricks they can try on their partner  
They're hoping their lover will help them or keep them  
Support them, promote them  
Don't blame them, you're the same

Ch:

Goodnight and thank you, Emilio  
You've completed your task, what more can we ask of you now  
Please sign the book on your way out the door  
And that will be all, if she needs you she'll call  
But I don't think that's likely somehow

Eva:

Oh, but it's sad when a love affair dies  
But when we were hot, we were hot  
I know you'll look back on the good times we shared

Ch:

Which means...

Eva & Ch:

There is no one, no one at all  
Never has been and never will be a lover  
Male or female  
Who hasn't an eye on, in fact they rely on  
Tricks they can try on their partner  
They're hoping their lover will help them or keep them  
Support them, promote them

Ch:

Don't blame her, you're the same

Eva & girls:

There is no soap, no soap like Zazz  
Do detergent, lotion or oil with such power  
In the shower  
It's the mother and father of luxury lather  
The talk of the bath, the great ointment  
One little frolic with new Zazz carbolic  
You're scented, you'll be sent

Ch:

Goodnight and thank you, Seor Jabon  
We are grateful you found her a spot on the sound radio

We'll think of you every time she's on the air  
We'd love you to stay, but you'd be in the way  
So do up your trousers and go!

Eva:  
Oh, but it's sad when a love affair dies  
The decline into silence and doubt  
Our passion was just too intense to survive

Ch:  
Which means...

Eva's suitors:  
This is a club I should never have joined  
Someone has made us look fools  
Argentine men call the sexual shots  
Someone has altered the rules

Eva:  
Fame on the wire, as far as it goes  
Is all very well, but every girl knows

Ch:  
She needs a man she can monopolize  
With fingers in dozens of different pies

Eva's suitors & Ch:  
Oh, but it's sad when a love affair dies
