

# Andrew Lloyd Webber, He Whistled At Me (Reprise)

Dinah:

I'm fed up with all this racing,  
This electric thin i'm chasing,  
Doesn't have that certain something,  
That a girl expects to hear,

He never whistles at me!  
It's damaging my status,  
I don't think he can whistle at me!  
He lacks the apparatus,  
Why do you never whistle at me?  
Beginning to suspect you!  
I need someone to whistle at me,  
Gonna disconnect you,

Electra:

C.B,  
C.B,  
Dinah's gone and made a disconnection!  
C.B,  
C.B,  
You gotta help me in the final section!
