

Andrew Lloyd Webber, Rolling Stock

I'm just the fastest thing you'll ever see
That streak of lightning you just missed was me
Don't stop now,
You gotta keep it going all night
Rolling Stock
Rolling Stock

You got no lovers if you got no wheels
Come on and heat me up the way you do
And I can keep it going longer than you
Don't stop now, you gotta keep it going all night

Don't try to show you can go faster than me
This is my back view and it's all you'll see
Don't stop now, you gotta keep it going all night
Rolling stock
We're rolling stock
Rolling stock
We're rolling stock

So get the motion in your wheels somehow
The racing action's starting here and now
Don't stop now, you gotta keep it going all night
Deep down inside you know that I am the best
So come on baby, put me to the test
Don't stop now, you gotta keep it going all night
Rolling stock
We're rolling stock
Rolling stock
We're rolling stock
Rolling stock
We're rolling stock
