

Andrew Lloyd Webber, The Jellicle Ball

Jellicle cats come out tonight
Jellicle cats come one come all
The Jellicle Moon is shining bright
Jellicles come to the Jellicle Ball
Jellicle cats are black and white
Jellicle cats are rather small
Jellicle cats are merry and bright
And pleasant to hear when we caterwaul
Jellicle cats have cheerful faces
Jellicle cats have bright black eyes
We like to practice our airs and graces
And wait for the Jellicle Moon to rise
Jellicle cats develop slowly
Jellicle cats are not too big
Jellicle cats are roly poly
We know how to dance a gavotte and a jig
Until the Jellicle Moon appears
We make our toilet and take our repose
Jellicles wash behind their ears
Jellicles dry between their toes
Jellicle cats are black and white
Jellicle cats are of moderate size
Jellicles jump like a jumping jack
Jellicle cats have moonlit eyes
We're quiet enough in the morning hours
We're quiet enough in the afternoon
Reserving our Terpsichorean powers
To dance by the light of the Jellicle Moon
Jellicle cats are black and white
Jellicle cats (as we said) are small
If it happens to be a stormy night
We will practice a caper or two in the hall
If it happens the sun is shining bright
You would say we have nothing to do at all
We are resting and saving ourselves to be bright
For the Jellicle Moon and Jellicle Ball
Jellicle cats come out tonight
Jellicle cats come one come all
The Jellicle Moon is shining bright
Jellicles come to the Jellicle Ball
