

# Andrew Lloyd Webber, The Jellicle Ball

Jellicle cats come out tonight  
Jellicle cats come one come all  
The Jellicle Moon is shining bright  
Jellicles come to the Jellicle Ball  
Jellicle cats are black and white  
Jellicle cats are rather small  
Jellicle cats are merry and bright  
And pleasant to hear when we caterwaul  
Jellicle cats have cheerful faces  
Jellicle cats have bright black eyes  
We like to practice our airs and graces  
And wait for the Jellicle Moon to rise  
Jellicle cats develop slowly  
Jellicle cats are not too big  
Jellicle cats are roly poly  
We know how to dance a gavotte and a jig  
Until the Jellicle Moon appears  
We make our toilet and take our repose  
Jellicles wash behind their ears  
Jellicles dry between their toes  
Jellicle cats are black and white  
Jellicle cats are of moderate size  
Jellicles jump like a jumping jack  
Jellicle cats have moonlit eyes  
We're quiet enough in the morning hours  
We're quiet enough in the afternoon  
Reserving our Terpsichorean powers  
To dance by the light of the Jellicle Moon  
Jellicle cats are black and white  
Jellicle cats (as we said) are small  
If it happens to be a stormy night  
We will practice a caper or two in the hall  
If it happens the sun is shining bright  
You would say we have nothing to do at all  
We are resting and saving ourselves to be bright  
For the Jellicle Moon and Jellicle Ball  
Jellicle cats come out tonight  
Jellicle cats come one come all  
The Jellicle Moon is shining bright  
Jellicles come to the Jellicle Ball
