

# Andrew Peterson, I've Got News

So you think I'm something special, like I know a thing or two; like my eyes don't ever wander, like  
So you think that you're the only one to cry yourself to sleep? That you're the only one who's scared  
So you think you don't need anyone to love you? So you think you don't need anyone to love?  
But you do.  
So you say there is no hope. Maybe God is dead and gone. So you think that he can't break a heart  
I've got good news for you.
