

Andrew Seeley, You Can Do Magic

Magic

I never believed in things that I couldn't see

I said if I can't feel it then how can it be?

No, no magic could happen to me and then I saw you

And I couldn't believe it, you took my heart

I couldn't retrieve it, said to myself what's it all about?

Now I know there can be no doubt

You can do magic, you can have anything that you desire

Magic and you know you're the one who can put out the fire

Girl, you know darn well when you cast your spell you will get your way

When you hypnotize with your eyes a heart of stone can turn to clay

And when the rain is beatin' upon the window pane

When the night it gets so cold, when I can't sleep

Again you come to me

I hold you tight and the rain disappears

Who would believe it?

With a word you dry my tears

You can do magic, you can have anything that you desire

Magic and you know you're the one that can put out the fire

Girl, you know darn well when you cast your spell you will get your way

When you hypnotize with your eyes a heart of stone will turn to clay

You can do magic, you can have anything that you desire

Magic and you know you're the one who can put out the fire

Girl, you know darn well when you cast your spell you will get your way

When you hypnotize with your eyes a heart of stone will turn to clay

You can do magic, you can do magic

You can do magic, do magic

You can do magic, you can do magic
