

# Andrew Spencer, Strop loving you

I can't stop loving you...

Go!

I can't...

I can't stop loving you...

I can't stop loving you, time passes quickly and chances are few

I can't stop loving you, time passes quickly and chances are few

I won't stop till I'm through loving you, loving you...

I can't stop loving you...

I can't stop loving you...

I...

I...

I...

I can't stop loving you, time passes quickly and chances are few

I can't stop loving you, time passes quickly and chances are few

I won't stop till I'm through loving you, loving you...

I won't stop till I'm through loving you, loving you...

Yeah!

I can't...

I won't stop till I'm through loving you...
