

Andrew W.K., Make Sex

I don't wanna make life
And I don't wanna make death
I don't wanna make love
I just wanna (Bang Bang)

I don't wanna make life
And I don't wanna make death
I don't wanna make love
I just wanna (Bang Bang)

I don't wanna make life
And I don't wanna make death
I don't wanna make love
I just wanna
Make sex

Wanna make sex, wanna make sex
Wo oh
Wanna make sex, wanna make sex

Wanna make sex
Wo oh, wo oh
Wanna make sex, make sex

Wanna make sex, wanna make sex
Wo oh
Wanna make sex, wanna make sex

Wanna make sex
Wo oh, wo oh
Wanna make sex,
Make sex
