

# Andrew W.K., Music Or Die

yeah!  
i finally came! cause i'm coming around!  
don't get in my way! cause i never let down!  
we know what you do! we heard all your lies!  
you got no chance now! it's music or die!  
music or die! music or die! music or die!  
it's our time to rule! and it's your time to cry!  
you got no chance now! cause it's music or die!  
music or die! music or die! music or die! F\*ck yeah!
