

Andrew W.K., The Eliac

The end of the world,
Don't make me hurl.
Fuck it all!
Fuck it all!
Fuck it all!
Winners are losers and losers are winning!
The end of the world,
Don't make me hurl.
Fuck it all!
Fuck it all!
Fuck it all!
Winners are losers and losers are winning!
Back off!
Black chalk!
Back off!
Black chalk!
The end of the world,
Don't make me hurl.
Fuck it all!
Fuck it all!
Fuck it all!
Winners are losers and losers are winning!
Fuck it all!
Fuck it all!
Fuck it all!
Fuck it all!
Fuck it all!
Fuck it all!
Winners are losers and losers are winning!
Winners are losers and losers are winning!
Winners are losers and losers are winning!
Winners are losers and losers are winning!
