

Android Lust, The Body

This body belongs to me
To fuck to hurt to kill
And if I choose to give it all up
It's my deal in the end
Do you understand

You think you have the right
Because you fucked me a couple of times
To tell me what to do
With this damned body of mine
You just don't understand

You say you know it all
Trust or take the fall
And tell me all this shit about
What's good for me and all
You just don't understand

This body belongs to me
To take it where I will
And if I choose to be unkind
Decision's mine to make
Do you understand

You say you know it all
Trust or take the fall
Paths beaten dead, you'd have me tread
Stained, I've already been bled
