

Andru Donalds, Simple Obsession

What about us
As I think about tomorrow
With you not in my life?
What about love
As I try to make it every day
I live even though I die
I don't want to go
For it's hard to say goodbye

My simple obsession
(What about us)
(What about us)
(What about us)
I don't know what I'm gonna do without you
(What about us)
(What about us)
What about it
(What about us)
My simple obsession

What about love
Everyday I'm fighting through this pain
I'm doin' everything to be alright
What about love
As my beating heart keeps tellin' me
I don't want nobody in life but you
I don't want to go
For it's hard to say goodbye

My simple obsession
(What about us)
(What about us)
(What about us)
I don't know what I'm gonna do without you
(What about us)
(What about us)
What about love
(What about us)
My simple obsession
