

Andy Abraham, Still

Lady, morning's just a moment away
And I'm without you once again
You laughed at me
you said you never needed me, i wonder if you need me know.
So many words we didn't say
Two people lost in a storm
Where did we go?
Where'd we go?
We lost what we both had found
You know we let each other down
But then most of all
I do love you still
We played the games that people play
We made our mistakes along the way
Some how I know deep in my heart
You needed me
Because I needed you so desperately
We were too blind to see
But then most of all
I do love you still
