

Andy Bey, Caravan

Night and stars above that shine so bright
The mystery of their fading light
That shines upon our caravan
Sleep upon my shoulder as we creep
Across the sand so I may keep
This is so exciting, you are so inviting
Resting in my arms
As I thrill to the magic charms of you
Beside me here beneath the blue
My dream of love is coming true
Within our desert caravan
Night and stars above that shine so bright
The mystery of their fading light
That shines upon our caravan
Sleep upon my shoulder as we creep
Across the sand so I may keep
This memory of our caravan
This is so exciting, you are so inviting
Resting in my arms
As I thrill to the magic charms of you
Beside me here beneath the blue
My dream of love is coming true
Within our desert caravan
Caravan, caravan, caravan, caravan, caravan, caravan
