

Andy Griggs, My Kind Of Beautiful

Shes Black smoke formin across in the sky
I ask for a water and she brings me wine, she brings me wine
She's one part angel, the other part sin
I say I'm tired and she says, lets go again, lets go again

Chorus:

My kind of, my kind of beautiful
Lover and friend
If im dreamin, please dont wake me up
I wanna see how, how the story ends

Shes a bad moon risin, Shes the sunlight through the rain
She the calm before the storm, yeah shes a hurricane, a hurricane
Oh, Sunday mornin service, with that look in her eye
I never heard the preachers words but I saw the light, I saw the light

Chorus:

My kind of, my kind of beautiful
Lover and friend
If Im dreamin, Please dont wake me up
I wanna see how, how the stroy ends

I wanna see how it ends

If im dreamin, please dont wake me up
I wanna see how, how the story ends

Chorus:

My kind of, my kind of beautiful
Lover and friend
If Im dreamin, please dont wake me up
I wanna see how, how the story ends
