

Andy Griggs, She's More

I like blue eyes, hers are green
Not like the woman of my dreams,
And her hair's not quite as long as I had planned.
Five foot three isn't tall
She's not the girl I'd pictured at all.
In those paint by number
Fantasies I've had.

So it took me by complete surprise,
When my heart got lost in those deep green eyes.
She's not at all what I was lookin for, she's more

No, it wasn't at first sight,
But the moment I looked twice.
I saw the woman I was born to love.
Her laughter filled my soul,
When I hold her I don't wanna let go
When it comes to her, I can't get enough

So it took me by complete surprise
when my heart got lost in those deep green eyes.
She's not at all what I was lookin for, she's more!

More than I dreamed of
More than any man deserves...and I couldn't
ask for a more than a love like hers

So it took me by complete surprise
When my heart got lost in those deep green eyes.
She's not at all what I was lookin for, she's more
