

Andy Hunter, The Wonders Of You

Who is like You?

Who is like the wonders, the wonders, the wonders, the wonders of You?

From alpha to Omega

No Ones greater

While your cutting the wax

And cross up the fader

You can cross the fade

But can't fade the cross

Divine blood drops

Can set free the lost

Love personified

Makes seas divide

Eyes of the storm

Of the tempest ride

Who can compare

Who can dare to stare in the eyes of the Most High and die

Often imitated

Never duplicated

Only One original

Underrated

Perfect in ways in which we could be

Others like Him

Never will be

Ancient of days

In mysterious ways

Works wonders

Setting bushes a blaze

40 years in a maze

With a pillar of fire

Dancing on waves

My life's desire

Who is like you

Who was, is and will be

Who can do what you can do simply?

He who has an ear, let him hear

Speaking through the speaker to your ears

Is my transmission clear?
