

Andy Kaufman, One More Song For You

ANDY: ... and, and, and ... (clears throat) I hope to see you again soon, and I love you, and thank you very much! Now, till we meet again ...

Well, it's time to say goodbye
It's been good having you so near
Although I've got to leave, it's the end
I'll always be staying right here

So, my friends, goodbye
It's just about that time
Wish that I could do
Just one more song for you

[Applause.]

ANDY: Goodbye, everybody, thank you! Goodnight!
O.K., O.K.! Goodnight! I love ya! O.K., O.K.! Boy!
Goodbye! Boy, what a bunch of sheep! I tell you...
