

Andy Kim, Baby I Love You

Have I ever told you
How good it feels to hold you
It isn't easy to explain
And though I'm really trying
I think I may start crying
My heart can't wait another day
When you touch me
I just got to say

Baby I love you
Baby I love you
Baby I love you
Come on baby now

I can't live without you
I love everything about you
I can't help it if I feel this way
Oh, I'm so glad I found you
I want my heart surround you
I love to hear you call my name
To me baby that you feel the same

Baby I love you
Baby I love you
Baby I love you
Come on baby now
Come on baby now

Whoa oh
My heart can't wait another day
When you touch me
I just got to say

Baby I love you
Baby I love you
Baby I love you
Come on baby now
Baby I love you
baby I just love you
Baby I love you
