

Andy Williams, More

More than the greatest love the world has known
This is the love I'll give to you alone
More than the simplest words I try to say
I only live to love you more each day

More than you'll never know my arms long to hold you so
My life will be in your keeping, waking, sleeping, laughing, weeping
Longer than always is long long time,
But far beyond forever you'll be mine

I know I never lived before and my heart is very sure
No one else could love you more

I know I never lived before and my heart is very sure
No one else could love you more
