

Andy Williams, More today than yesterday

I don't remember what day it was
I didn't notice what time it wa-as
All I know is that I fell in love with you
And if all my dreams come true
I'll be spending time with you...
Every day's a new day in love with you
With each day comes a new way of loving you
Every time I kiss your lips my mind starts to wander
And if all my dreams come true
I'll be spending time with you
Oh, I love you more today than yesterday
But not as much as tomorrow (yesterday)
I love you more today than yesterday
But, darling, not as much as tomor-orrow-ow
Tomorrow's date means springtime's just a day away
Cupid, we don't need you now, be on your way
I thank the Lord for love like ours that grows ever stronger
And I always will be true
I know you feel the same way too
Oh, I love you more today than yesterday
But not as much as tomorrow (yesterday)
I love you more today than yesterday
But, darling, not as much as tomor-orrow-ow
Every day's a new day, every time I love you
Every way's a new way, every time I love you
Every day's a new day, every time I love you
Every day's a new day [fade]
