

# Andy Yorke, One In A Million

Turn the light out  
on my own  
Ever repeating  
that a change will come  
to one  
who  
waits  
Heard alot about the signs  
never to see them  
Do I seize it now  
or let go  
my one in a million chance?  
And I never knew the songs  
of god's chosen angels  
But I hear them now -  
this comes by  
One in a million times  
Thought about it  
on my own  
Now I remember  
it was you who  
had the gift  
of  
seeing  
Heard alot about the signs,  
never believed it  
But I see them now -  
this comes by  
One in a million times,  
singing  
One in a million times
