

# Aneela, Akh Naal Akh

Is zindagani main  
janam jawani main  
jis ne kiya wo gaya  
oh Rabba  
sab to satata hai  
phir azmata hai  
yeh pyar kya hai bala  
hoo nindra we nindra we nindra nai ondiyan  
nindra we nindra nai ondiyan (nai ondiyan)  
nindra we nindra we nindra nai ondiyan  
nindra we nindra we haye  
oh akh naal akh lad gayi  
haye dil mere dhak dhak dhadke  
akh naal akh lad gayi  
bas rakhna kalja phad ke  
akh naal akh lad gayi  
haye dil mera dhak dhak dhadke  
akh naal akh lad gayi  
bas rakhna kalja phadke.  
Diwana karta hai jisko jakadta hai  
Yeh pyar ki hai saza  
Hum ko ashiq banata hai  
Rateen jagata hai  
Yeh pyar hota hai kya  
hoo nindra we nindra we nindra nai ondiyan  
nindra we nindra nai ondiyan (nai ondiyan)  
nindra we nindra we nindra nai ondiyan  
nindra we nindra we haye  
oh akh naal akh lad gayi  
haye dil mere dhak dhak dhadke  
akh naal akh lad gayi  
bas rakhna kalja phad ke  
tere bina zindagi main  
koyi bhi na bhaye channa  
tere bina reh na sakoon  
Rabba mere main kya karoon  
koyi bhi na bhaye channa  
tere bina reh na sakoon  
Rabba mere main kya karoon  
hoo nindra we nindra we nindra nai ondiyan  
nindra we nindra nai ondiyan (nai ondiyan)  
nindra we nindra we nindra nai ondiyan  
nindra we nindra we haye  
oh akh naal akh lad gayi  
haye dil mere dhak dhak dhadke  
akh naal akh lad gayi  
bas rakhna kalja phad ke
