I had a dream
of skies being red

I had a Dream
of skies being red
of billions dead
I saw the last sunset
I saw the last sunset

I had a Dream
of skies being red
of billions dead

They'll watch the last sunset
They'll watch the last sunset
They'll watch the last sunset

It was the last...
I watched the last sunset
I watched the last sunset
It was the last...
This was the last time I ...
This was the last time I ...
