

Aneta Sablik, Ulalala

I wanna make you feel real good
Coz I'm happy
Now I'm happy
Run to the ends of the Earth for you
Coz I'm happy
Yes, I'm happy

Smiling on the rainy day
You and me
Caught in the glory
Wrapped up In your embrace
Let me carry you away
Like fantasy
I wanna make you feel real good
I wanna make you feel

Ulalala
You make me feel
/20x

That's I want to make you good
Make you happy
Just be happy
I hope you've got it you understood
To be happy
Just be happy

Smiling on the rainy day
You and me
Caught in the glory
Wrapped up In your embrace
Let me carry you away
Like fantasy
I wanna make you feel real good
I wanna make you feel

Ulalala
You make me feel
