

# Angel, Bring It On

I know you've been watchin me boy  
Come and talk to me  
Step up to the plate  
Why don't you give it a try

Hey baby  
You have the hots for me  
I can tell by the way that you follow me  
Don't be too shy if you come up clean  
If ya wanna get me out of that solo scene

So now I hear that I'm in your dreams  
And you wanna take me home to our family  
You and me can be reality  
If your game is on  
Then it's up to me  
C'mon

If I am your fantasy  
Let your body go  
If you think you can handle me  
Just go with the flow  
So why you just keep talkin'  
I( don't think this might seem to bold)  
If you ain't got it keep walkin'  
(C'mon baby out the cold)  
Stop actin' like you're stalkin'  
Why don't you do as you're told?  
If you want this here than switch your gears  
You gotta b-b-bring it on

If you look in your eyes  
It's full of lust  
As you're tryin' to stay mysterious  
Tell me how you feel  
I'm kickin' up dust  
'cause I won't wait around I'm serious  
How's it supposed to be real with us  
If you wanna keep the way we feel on the hush  
Spit your game boy what's the fuss?  
I might disapear if you don't rush

Forget about your secrecy  
Open up your soul  
If you wanna go out with me  
You need to let me know  
So why you just keep talkin'  
blah blah blah  
If you ain't gotta keep walkin'  
Leavin' so soon?  
Stop actin like you're stalkin'  
Just say what's on your mind  
If you want this here than switch your gears  
You gotta b-b-bring it on

Are you with it boy  
Can you handle it boy  
You ain't scared boy  
Where you goin' boy  
Get my number boy  
Wanna be my wonder boy  
You can be my summer joy  
You know you want to boy

So why you just keep talkin'  
If you ain't gotta keep walkin'  
Stop actin like you're stalkin'  
if you want this here  
Then switch your gears  
You gotta b-b-bring it on

So why you just keep talkin'  
If you ain't gotta keep walkin'  
Stop actin like you're stalkin'  
If you want this here  
Then switch your gears  
You gotta b-b-bring it on

You gotta b-b-bring it on  
You gotta b-b-bring it on  
You gotta b-b-bring it on

Come on boy...  
Where you goin'?  
You should stay a while  
Why don't you just bring it on.

Hey baby  
You have the hots for me  
I can tell by the way that you follow me  
Don't be too shy if you come up clean  
If you wanna get me out of that solo scene
