

Angel Chix, Alright

Am I gonna be alright
Just give me a second chance
Am I gonna be alright
Did you actually want me
Am I gonna be alright
Did you love me; did you miss me at all
Am I gonna be alright
I'm looking for this place in me
Still trying to figure out what I should be
I need to know what's gonna happen to me
But I need to know?

Chorus

It's been two weeks since you left me
You don't know how much it hurts
I don't wanna lie here in my tears
Cos I really miss you
Please tell me?

Chorus

When we met
You said you loved me
Now you don't
What did I do wrong?
Cos I need to know?

Chorus

You know when we met
You said you loved me
And now that you're gone
You never will see
Everything in this world will now change
And now you'll realise that it is all strange
Chorus
