

# Angel City, featuring Lara McAllen, Love Me Right

Ooh, baby, love me right  
Let me love you til you get it right  
Why can't you let the others be  
'Cause with you is where I got to be  
Ooh, sugar, where've you been  
Hanging out with your male friends  
Listen, somebody's gonna hurt you  
The way you love to keep hurting me  
Ooh, baby, love me right  
Let me love you til the morning comes  
Ooh, sugar, love me right  
You know I want to be the only one  
Let me love you til you get it right  
Ooh, baby, understand  
I want you to be the only man  
But it seems though, it's getting too hot  
I think I'll start to have my own fun  
Ooh, baby, it's plain to see  
That I'm qualified to fill your needs  
You think you're putting over on me  
Oh, honey, baby, just you wait and see  
Ooh, baby, love me right  
Let me love you til the morning comes  
Ooh, sugar, love me right  
You know I want to be the only one  
Let me love you till you get it right  
Love me right, you gotta love me  
Love me right, you gotta love me, oh, yeah  
Let me love you til you get it right  
Ooh, baby, love me right  
Let me love you til the morning comes  
Ooh, sugar, love me right  
You know I want to be the only one  
Ooh, baby, love me right  
Let me love you til the morning comes  
Ooh, sugar, love me right  
You know I want to be the only one
