

Angel City, Touch Me

ooh

ooh you know how to love me. when i get close at night.
ooh i need you so bad baby (ooh oh oh)

this is where you belong. dont make me wait too long.

hold me baby, drive me crazy, touch me, all nite long, make me love
you, kiss and hug you, touch me, all night long.

you've gone and started something i thought i'd never find. there only
seems to be one thing on my mind. and you know that i love it when
we do it right. and you know that a need it baby cause tonight

this is where you belong. dont make me wait too long.

hold me baby, drive me crazy, touch me, all nite long, make me love
you, kiss and hug you, touch me, all night long.

hold me baby, drive me crazy, touch me, all nite long, make me love
you, kiss and hug you, touch me, all night long. (touch me all night long)

i'm gonna make it worth your while touch me all night long. and when
i think of tonight it makes me smile touch me all night long

hold me baby, drive me crazy, touch me, make me love
you, kiss and hug you, touch me, all night long.

hold me baby, drive me crazy, touch me, all nite long, make me love
you, kiss and hug you, touch me, all night long.

hold me baby, drive me crazy, touch me, all nite long, make me love
you, kiss and hug you, touch me, all night long.
