Sodomy Curse (live)

[Music:Palubicki]

[Lyrics:Helmkamp 6/96]

Garden of earthly delights is mounting flames

We are burning the way to paradise

The lust for vengeance shall not despair

Blood and sperm-agony

War declared-now hear this...

Sodomy Curse

Fertile semen corrupted to vile seed

Obelisk of swollen beauty

Desperate ablution

Pollution

Sodomy Curse

Disgrace wept bitter tears

Spit wipes away but what of the shame

Sodomy Curse

Sodomy...
