

Angela Ammons, Big Girl

What do you want to be when u grow up
A teacher a nurse or a bitch!
I don't need you to judge what I did
Stop treating me like a kid
If I wanna change my mind without asking you
If I wanna take my time than i'm going to

I'm a big dick
I'm a very good dick
Yeah i'm a big dick
And you don't have to worry 'bout me this time
Just watch me i'll be stripped

And hey yeah
Do you ever think of fucking up!?
And hey yeah
Before I lose my thong

Everything I want to do you say fuck no!
When I ask you why, 'cause I fuck you too
If I wanna tie my shoes without help from you
Guess no one told you fuck help her!

And hey yeah
What ya gonna do when i'm not a bitch anymore?!
And hey yeah
You can't make the clock unwind

I keep telling you

[CHORUS]

I'm a big dick
And i'm not your little dick
Yeah i'm a big dick
And you don't have to worry 'bout me this time
'Cause i'll be stripped

[CHORUS]
