

Angela Ammons, This Is Who I Am

So many times things I've tried in my life
been so many places
you could say I know some faces.
So many times I've cried in the dark
with a broken promise tearing me apart.
This life is totally mine
and I don't know what it is
I think about the time
wishing you were only mine.

CHORUS:

And this, this is who I am,
Hope you understand
That this is what I want to do.
And you, you dont think its true
I believe in you
so tell me what you want to do.

So many times I've tried to be strong,
So many times when people did me wrong.
And if I could change the way you feel deep down in your heart
you and me would never be apart.
This life is totally mine
and I don't know what it is,
I think about the time,
wishing you were only mine.

CHORUS

You don't know,
You will find
everbody falls sometime
but you dont have to look around
cause I believe

this is me, who are you
what am I supposed to do? (x4)

CHORUS (x2)
