

# Angela Ammons, Wish On Me

Now its time to say goodbye  
But I'll always be there in your mind  
We've had our time, so lets not cry  
whenever you wonder, never wonder why  
and I hope that sometimes  
you look back and smile

## CHORUS

wish on me  
and I will be the best I can be  
wish on me  
I wish on you  
for the very best you can do  
if they never come (x4)  
wish on me

Let me look at your face  
so why I can remember its grace  
hold me close  
hold me tight  
dont ever forget all the love we made  
and dont ever, how far  
your here in my heart

## CHORUS

Never give up on that part of me  
Never let go of your hopes and dreams  
I'm with you ever step you take  
So hold on for god's sake  
And you'll never be when your hungrys gone  
I'll give you reason to hold on  
My hand will be there for you to hold  
youll never feel the cold  
If you wish on me.

Wish on me (x3)  
If they never come (x4)  
CHORUS
